Ann -  
It has  
been fun  
knowing you

Ann -  
I sure don't know  
what I have to do to get  
you to write me. I sure  
miss you, please come see me  
this summer. Ann, you are one of  
the sweetest girls I know. I know  
you will be a success in whatever  
you try. Bless you

quay Hall

I hope Rich meets the cruel fate he  
deserves. He sure is  
a bitch. Damn it, it's  
been fun. How  
are you? How do  
you feel? I feel  
fine just in case  
you did ask me.  
Lots of luck with  
the boys at Cal Tech.  
It sure isn't fun  
kissing a ruler is it  
I know just how you  
feel.  
Lots of love,  
Susie Pusie

To Ann.

It has been a real pleasure  
for me to have known you  
this past year. I hope we will  
always be friends, and I hope  
to see you some time.

I know you will be a  
big success in whatever you  
do! I wish you the very best  
of luck, happiness and success  
always.

May fond memories  
always be yours,

Linda Carter

Ki, Anne,  
I will be so  
to see a wonderful  
actress and girl  
leave our school.  
Have the best of  
luck in the future  
with your career.  
Love,  
Beverly

Dear Annie - I've  
I feel like I've  
finally gotten to know  
you this last semester.  
You're loads of fun and  
if you're singing class  
sound like a little  
old woman! "I know  
God always!" h.  
Love

Annie,

Ann Franklin

I can remember once when you went to a Miss Highberger contest with all of us. It was so much fun. I wish we could have continued doing things together. One thing I'll never forget is when you put on that very dramatic scene down at the beach. I've always looked at you <sup>how often</sup> as a great actress, you are too. It's been so much fun knowing you, you're always full of witty things to say and do. Good luck! I never would have met you I'd be so fortunate. I feel so silly! Anyway, hope we're always friends. Love Pete.

To Anne Frank as a dedication:

ANN I dedicate To Miss Frank in your name in hope that just a little of Miss Frank's glory will transfer and that you may become a woman par excellence

Darrel Kalty

Ana-

Will you ever forget Easter Week on Hobart St.?  
Good luck at U.C.L.A.  
Let me know how you like it!  
Joyce (Brune)

Annie -  
Never again will I ever find such a tennis partner. I'm really going to miss playing with you. Also congratulations on your trophy. You deserved it. Best of luck at U.C.L.A. She says  
Linda (Pierce)

Ana -

You were tremendous in the diary of Anne Frank - I've never seen anyone who could act as well as you. I'll always admire you. The best of luck at U.C.L.A. -  
You'll like it -  
By forever  
Joan

Annie -  
You've got talent so don't let it go to waste. Try and cultivate it and before you know it you might be a famous playwright.

Ann,

Why, Oh why are you so harsh!

Am sure you've made tons of enemies  
by being so truthful, but the friends  
you've made by your sincerity are  
eternally yours. I've truly treasured  
all our discussions, only I do wish  
everytime I mention a certain some-  
one, you wouldn't begin a dissertation  
on the "unlikeable one." Ann, what are  
you going to be - a bad-ink, a writer,  
or a bum? I imagine you as a fine,  
controversial actress with a broken  
heart every week. Oh Ann, you've been  
a wonderful friend to me. You've never  
been fake or untruthful to anyone and  
as a result you have many friends who  
really like you. I can't wish you  
enough happiness at UCL A - I sincerely  
hope you have lots of children - live  
in a tiny, quaint village and marry  
a bald old man - Exactly what you want  
out of life - Ann, May God bless you always.

Love,  
"Judy Bee"

P.S. Seduce our friend, write in his annual -  
and 'cause I want to see it!!

Ann

Knowing ~~at~~ you there  
past year has been a  
pleasure.

When you play "Anne Frank"  
on Broadway be sure to  
tell me -

See you at homecoming

Sharon  
Morris

To Ann (Frank)

You gave a fine  
performance in  
the Dr. play! We  
will meet again,  
Vaya con

Bruce Kenney

Ann  
this year  
you gave  
me a  
great  
time  
and  
certain  
people  
will  
miss  
you  
at  
home  
coming

To Peg,  
the greatest  
President a  
girl  
could  
have!  
So much  
luck  
always  
that  
you  
weren't  
leaving  
us  
a  
real  
doll  
Love  
Linda

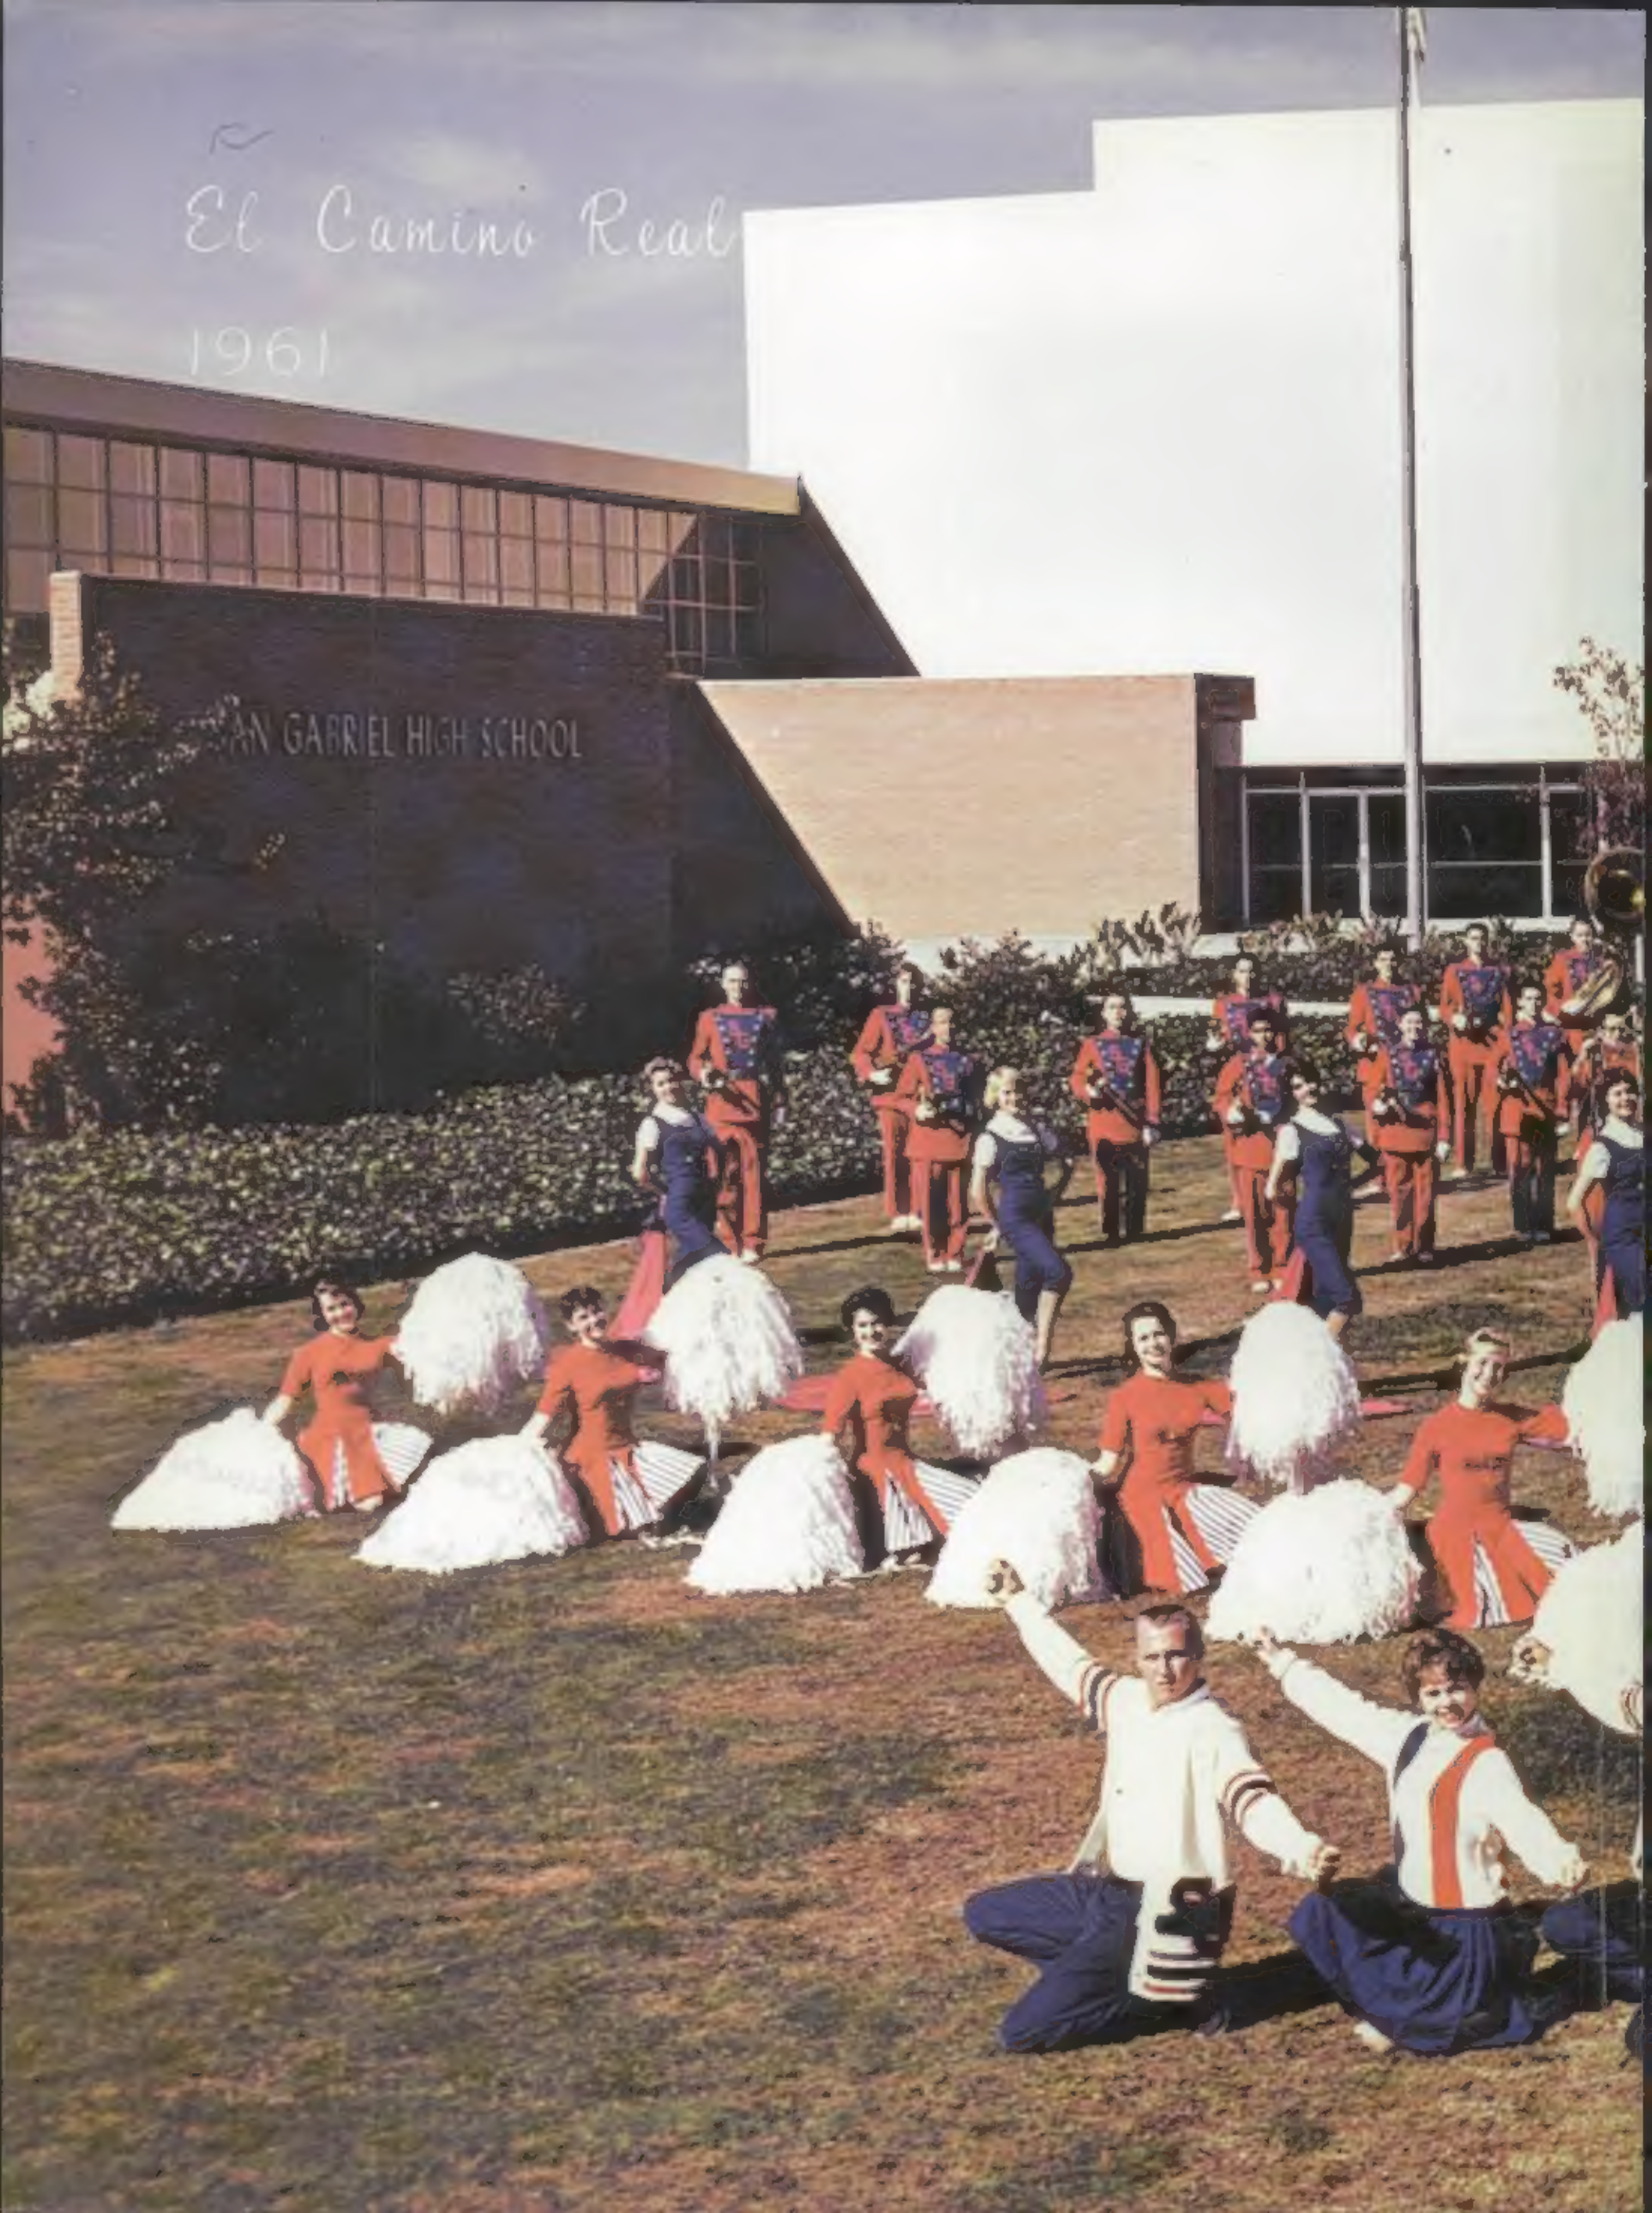

Anne -

You are a great actress and  
playwright in my opinion. We'll  
have fun at U.C.L.A. this summer  
it's going to be a blast. Keep laughing

Sincerely  
Oh Ann, you are really too, too special to try to convey my earthly thoughts to! I love you for your wit, your body, your versatility, your sense of humor, and your intelligence. Oh dear, you told me to let my thoughts run away with me and look what I came out with!! Oh Ann, the very best of everything to you always! I know I'll never forget you - you'll miss too special!

As the cover of the El Camino Real suggests, the theme of our 1961 yearbook is OUR SPANISH HERITAGE. All who have attended San Gabriel High School are aware of the Spanish names connected with the school and the community. Most of the student body comes from San Gabriel, a city which has taken its name from the Mission San Gabriel Archangel founded in 1771 under the direction of Father Serra. Our yearbook, the El Camino Real, derives its name from the famous King's Highway, which connects the chain of missions and is located to the north of our school. The Matador represents our fighting spirit like that of the original bull fighter of Spain. Ramona street, which fronts our school, is named after the central character of Helen Hunt Jackson's famous novel of the early Spanish days in Southern California. As you look through the El Camino Real, you will undoubtedly recall other names and traditions depicting OUR SPANISH HERITAGE.

## Dedication

On behalf of the San Gabriel High School student body, the annual staff wishes to dedicate the 1961 El Camino Real to our Senior Counselor, Mr. Robert Freeborn. Through his counsel, guidance, and understanding, we have been successfully guided toward our future goals. As the sixth year closes, we realize how fortunate San Gabriel High School is to have had Mr. Freeborn as part of its administration. It is with great thankfulness that we make this well-deserved dedication.

Editor in Chief

Throughout the school year, the El Camino Real staff has been making picture appointments, drawing the dummy, designing the cover, choosing the theme, and performing the many additional activities necessary for the publication and distribution of San Gabriel High School's yearbook, a pictorial history of the school year with a Spanish atmosphere. The staff has functioned under the expert guidance of its advisor, Mr. Hugh Buffum.

## Principal

About two hundred years ago El Camino Real was a mere trail connecting the California Missions. As more people traveled this path, it became more famous; and today it is known as the King's Highway.

Today the San Gabriel Matadors are again traveling a trail called El Camino Real. Each succeeding class is adding fame to its illustrious history. Graduates will always look with pride to the realization that they have truly traveled the King's Highway.

Each and every graduate of San Gabriel High School will remember vividly Senior Sacs, Senior Rings, Senior Play, the All Night Party, and the Prom — all things looked forward to for three years. The Seniors have contributed greatly to the success of a growing school, which is the pride of the students, administration, and community. Although the members of the Senior Class of 1961 will go their separate ways, not one will forget the happy days spent at San Gabriel High School.

Each year a group of students are chosen for membership in Los Renombrados, the senior honor society. In order to qualify, a student must have maintained a B average with no U's in citizenship. From those eligible, the final selections are made by a vote of the faculty and the senior class council on the basis of leadership, character, and service to the school and community.

# *Classes*

The various classes at San Gabriel High School have offered a solid background for our future years. The Juniors, Sophomores, and Freshmen will have many memories of their classes. They can think back upon the completed classes and look ahead to the courses of the coming year. They will remember teachers, classmates, cramming for tests, and the hard work that was involved. They will be thankful someday for the privilege of being able to learn

¡Veamos a nuestros compañeros de clase!

Figure 1. Schematic representation of the experimental design. The subjects were divided into two groups: E (Experimental) and F (Control). The E group was exposed to a 10-day period of continuous noise (100 dB) and then to a 10-day period of continuous noise (100 dB) and then to a 10-day period of continuous noise (100 dB). The F group was exposed to a 10-day period of continuous noise (100 dB) and then to a 10-day period of continuous noise (100 dB) and then to a 10-day period of continuous noise (100 dB).

# *Student Administration*

Our student administrators deserve to be commended for the fine job that they have done in planning the activities of the student body. The educators have placed faith and confidence in these student leaders, who are learning the principles of student government. From this experience they will be able to apply this learned knowledge when the responsibilities of maintaining democracy is theirs.

## Matador Staff

The San Gabriel **Matador** is published by the students of San Gabriel High School for the students of the high school. The staff is made up of interested journalism students, who learn the fine points of journalism as they put out the paper each week.

There are many parts to the staff. In addition to the Editor-in-Chief and a sports editor, there are page two and page three editors and assistants. Also, a very active member of the staff is the correspondence editor. He takes care of the exchange of papers with other schools all over the United States. Each week, he must prepare approximately five-hundred papers for mailing.

Of course every paper must have reporters, and the **Matador** is no exception. The job of the reporter is an interesting one. He must cover a beat on campus and must make sure that all news is in on time.

This year's staff won an award for the content and style of the paper. Also the paper received the First Class rating given by the National Scholastic Press Association in a Nation-wide contest.

This year's staff has worked hard, and we hope we have presented an interesting paper to the students of San Gabriel High School.

# Clubs

The clubs of San Gabriel High School furnish practical understanding and useful experience not only in specific occupational and interest areas but also in recreational and cultural fields. These clubs provide education beyond the pages of a book and the theoretical instruction of the classroom. Service clubs have undertaken many worthwhile projects in the community, while academic clubs have taken field trips, have attended lectures, and have seen special films. All types of clubs have contributed to the development of San Gabriel High School.

A strong school spirit has been created through student participation in school activities. Dances, football games, assemblies, speech and musical activities, and dramatic productions all contribute to a varied school life. In individual and group projects, a student is free to express himself. Many types of activities are needed if we are to be successful in later life.

For four years the American Field Service Program has been a very important part of San Gabriel High School. This program, which enables two foreign students to live in our community, attend school for one year, and learn important fundamentals about the United States, is one of the most worth-while and world-peace strengtheners in existence. A great love, understanding, and friendship among the peoples of the world is created as well as a vast education for the individuals. The A.F.S. Program not only sponsors foreign students to America, but also through the high schools sends Americans abroad to live.

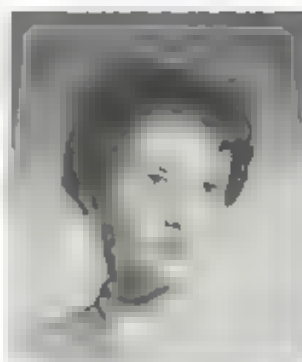

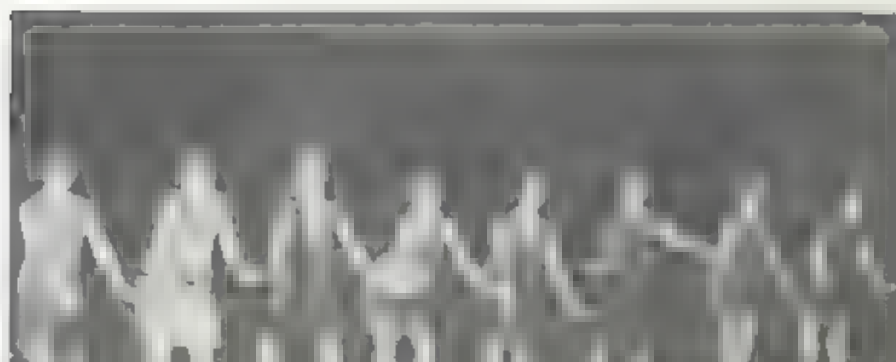

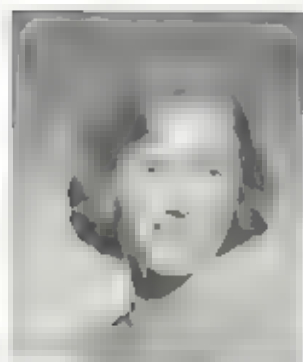

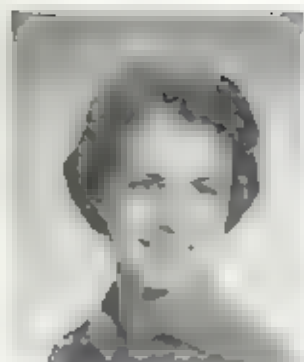

San Gabriel High School has through the four years of A.F.S. seen students from such countries as Denmark, England, France, Brazil, Greece, and presently from Italy and Switzerland. Simultaneously, our students who were fortunate enough to travel abroad have lived in Germany, Finland, Norway, and last year's student, Linda Globig, spent her summer in Denmark.

The American Field Service Program, having its beginning as a volunteer rescue service during World War I, has eventually established itself throughout the world and is highly regarded.

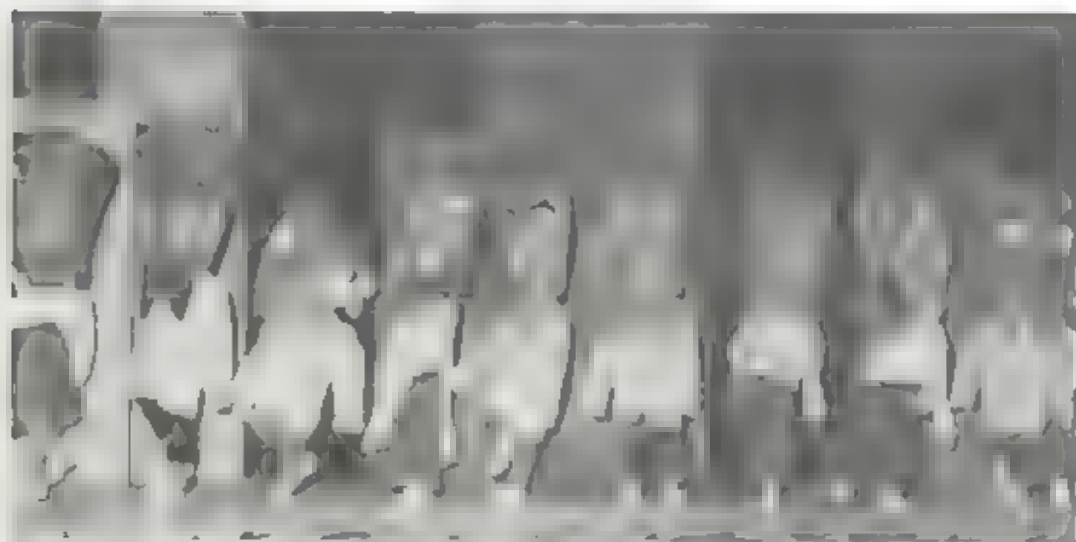

San Gabriel can be truly thankful for this program, and it is hoped that through this system of exchanging students — the future leaders — world peace will remain for centuries to come.

As we look back upon our sports seasons, there seems to be constant improvement. In football our "Bees" deserve special recognition for their record number of consecutive victories. All students of San Gabriel High School participated in our athletic program either as athletes or as spectators. Through the combined effort of these two groups, our athletic season produced exciting and successful wins that we will long remember.

## Game High - Lights

San Gabriel High's Varsity griders enjoyed their most successful season in the past history. After a 1-4 record in 1951, the team improved to 5-1, with a record of 14-0 in the playoffs. The team was led by Coach Hunt, who was named Coach of the Year. The team's success was due to the efforts of the players, who were led by Captain Bob Gray. The team's record was 14-0, with a record of 14-0 in the playoffs. The team's success was due to the efforts of the players, who were led by Captain Bob Gray.

Against Mark Kappa, the Hunters played their best football. Hunt scored for them, they scored for him. In a touchdown extra point in safety to whip the Aztecs. 9-6. The final score was 14-0. The team's success was due to the efforts of the players, who were led by Captain Bob Gray. The team's record was 14-0, with a record of 14-0 in the playoffs. The team's success was due to the efforts of the players, who were led by Captain Bob Gray.

The Tri-City Championship Trophy went to the San Gabriel's as they swamped Alhambra 27-0. Leventhal and Gray had the touchdowns in 1st and 2nd quarters. 14 and 27 yards. Gray also kicked the conversion. Mike Mathews and Kent Tucker combined to do a terrific job on defense.

Rosemead camped the Matadors Serra, 10-0, kicking out 16-0 with R. Wolfe, B. Fisk, Lynn Ewert and co-captain Bud Snickles played excellent ball in the defensive battle.

Most Exciting Game - The game between the Grizzlies and the Capemen. A very tight contest saw the Capemen, 1-1, the Grizzlies, 1-1. With less than two minutes remaining in the game, the Grizzlies led 2-9. But safety Jack looked the teams at 2-0. SGHS then kicked to Grizzlies, four plays later Leventhal kicked off a Tartan punt and returned it to the Tartans. 41 yard, time with but 25 seconds left. Gray passed to John Blom on the 25 yard line. On the down with 3 seconds to play Gray grunted back and offed a high spiral as Tartan made a most caught one. Dick Rasmussen streaked under the paskin and fell into the end zone with the winning tally. To wrap things to the affair, Gray kicked one of his four extra points of the evening. Leventhal had a trio of TDs, one a 67 yard run with an intercepted lateral. Bill Fisk recovered a pair of fumbles.

Rising high, the Matadors knocked out Serra, 26-0. Kent Tucker scored on a 35 yard sprint with an intercepted pass. Bob Jones accounted for 12 points, with 45 and 72 yard reverses. But Gray added 2. As to a touchdown, Don Santana and Richard Sefton sparked the line.

Gray scored twice and Leventhal picked up another TD as the San Gabriel's beat Azusa, 18-7. Outstanding line men were Rich Reyes and Charles K. Kambigier. In the Homecoming game the Capemen could not sustain a drive and lost to Arroyo, 21-0. However they still finished second in the "Mountain Loop".

As my work comes to an end there are many people whom I would  
 like to thank for their difference encouragement help and advice. Mr. Bulfinch  
 deserves special thanks for his help assistance and his expert advice.  
 Mr. Brown Mr. Lee and Mr. Lawson have also given much extra time  
 and effort. I would like to thank the school staff for its promptness  
 and presence when needed. Anthony Lynn Stone has  
 worked with the senior pictures club sports and other  
 activities. The K. K. Cove Company and the Toy or Publishing Company  
 have done a great deal of work and I am proud to print. To my teachers I extend  
 my thanks for their understanding and patience when I missed classes for  
 my illness. I also extend my gratitude to the many others who have  
 helped to make the E. Camino Real.

Thanks Again  
 Jeannette

stupid, old girl -  
you're out. Maybe  
you'll blossom in  
college - Just kidding -  
you have the talent (somewhere)  
and I'm going to be proud, one day,  
to have known you - not now, but one day.  
Ann - you are wonderful, fun & cute & smart.  
How can you go wrong? you won't. Let's get  
together this summer; make some more FUN -

Knowing Ann, in the  
herras and in high  
school has been really  
terrific. You're a real  
good friend to have with  
a good personality. Have  
a ball in college and  
everything you do.

Dear Anne  
 You are really a great  
 girl. I'm really proud  
 to say when I walk down  
 the halls and point at you  
 and say "that's my cousin".  
 Not many people are lucky  
 as me to say that. Actually  
 you are my closest cousin.  
 Have a good summer and  
 don't work too hard

Rally
